Re: EMSRB File # 2008-710

Dear Mr. Pulford:

On May 23, 2008, you were notified by mail of the EMSRB notification by St. Louis County Public Health and Human Services to suspend your Emergency Medical Technician-Basic (EMT-B) certification (EMS #242539), effective May 23, 2008, because of non-compliance of a court order for child support.

On December 26, 2008, we received a notice from the St. Louis County Public Health and Human Services for the EMSRB to reinstate your EMT-B certification. Therefore, your EMT-B certification has been reinstated.

A copy of the letter from the St. Louis County Public Health and Human Services is enclosed for your information.

Sincerely,

Katherine Burke Moore
Executive Director
